Bhakt Bhagwat

The Young Torchbearer of Vedic Wisdom

TEDX SPEAKER | LONDON BOOK OF WORLD RECORDS HONOREE

Bhakt Bhagwat is a unique child. In the midst of the era of the modern world, he is learning the science of the Indian ancient Vedic Gurukul system. Where children like to watch Cartoon Network, which is of no use, he watches pastimes of Lord Shri Krishna and Lord Shri Ram. He recites Sanskrit verses, sings kirtans, and meditates on the holy names. He is also a TEDx Speaker and has been recognized by the London Book of World Records for his extraordinary spiritual inclination at such a young age. He tells everyone to chant on beads, do service, and chant the name of Shri Krishna — you will get a lot of nectar, and you will get a lot of joy.

World's Youngest **TEDx** Speaker

Bhakt Bhagwat has been recognized as the world's youngest TEDx speaker, inspiring thousands with his spiritual wisdom.

ABCD of Bhagwat

Bhagwat's "ABCD..." is also incomparable. For common people A is Apple but for him A is Arjuna, B is Balarama etc. He identifies each letter with the names of the Lord. Now many teachers of Indian schools are teaching this "ABCD..." to the students.
